February 2024

Greetings fellow NOMADS:

Cornelius Jones
2024 NOMADS President

Thanks to everyone who came to the infamous, Rainbow Lodge for 2024 Kickoff Celebration (Soire`e). We had a great time and enjoyed a unique type of serenade by newest member, Sundy Srinivasan with Zentech-USA. He performed "If I were a Rich Man" from Fiddler on the Roof.

After the entertainment, 2023 President, Tom Shrader lead discussions on 2023's results and handed off the role of 2024 President to me, Cornelius Jones. I addressed fellow NOMADS and distinguished guests as being honored to be the 2024 President for this prestigious organization. Discussed how 2023's challenges were developed into learning opportunities with the support of certain members and the executive board.

The goals for 2024 are to implement and expound those learning opportunities to revamp membership, strategically align with other oil and gas organizations, and raise more funds for the scholarship program…The celebration ended with everyone standing for a toast…….Cheering "Here's to achieving MORE in 2024" Please go to look under "Our Association" link to review Cornelius Jones' bio!

Looking forward to the next meeting on Tuesday February 13th at The Ballroom at Tanglewood, 5430 Westheimer Road, Houston, TX 77056 where Kurt Abraham will be presenting on the 2024 forecast for Oil and Gas. Kurt is the Editor-in-Chief of World Oil and Gulf Energy magazine.

Until next time…..Cheers to achieving MORE in 2024!
