## President's Letter

Annual Forecast Meeting—Monday, February 13, 2017

Presented by World Oil Magazine

**FEBRUARY  
2017**

Dear Fellow Nomads:

Well, 2017 is here and I hope everyone enjoyed a wonderful Holiday Season!

I am also glad the almost two-year long presidential campaign and election is behind us. Along with hoping our new President and congress will do wonderful things for our country, I also look forward to a great rebound year for the oil and gas business!

I would like to start this year by saying thank you for giving me the honor to act as Nomad's President for 2017. I look forward to the year ahead and will work diligently to help ensure the wonderful spirit and traditions of Nomads continue.

We also all need to thank 2016 President Jerry Hebert and outgoing regent Ed Gilliard for their years of service to Nomads, and also welcome in 2017 Sergeant of Arms, Cliff Baldwin. Without these dedicated volunteers, Nomads would not be the great organization it is today.

For those of you who have not already signed-up, we will be having the **Nomads 2017 Kick-Off Celebration** on Saturday February 4th. I'd like to personally ask each of you to make a sincere effort to attend and help Nomads get off to a great start for 2017! Plus, I know you will all have a nice evening of food, drinks, fun and fellowship mingling with all of the wonderful Nomads members and their guests. A flyer with details is attached again and we certainly hope you can be there.

**Ken Gibbs**  
**NOMADS**  
**2017 President**

**POWER-FLW**  
International Sales, Inc.

As is tradition, the first regular meeting of 2017 is the Annual Forecast, which will be presented by Kurt Abraham of World Oil Magazine. Because of scheduling conflicts, this meeting will be held on **Monday** (not Tuesday), February 13<sup>th</sup>. This will be a very interesting and informative presentation and it will of course draw a large crowd. Please plan to attend and register in advance to help us get an accurate count, which is very important. Also, please invite friends, co-workers and business associates to see what Nomads is all about... and hopefully become interested in joining the Oldest Oil Club in Houston!

2017 V.P. Lesley Ann Jones, with the help of other members of the executive committee, have been working diligently over the last several months to line-up some great speakers for this year's meetings. They already have speakers for almost all of the meetings and a listing is included in this Caravan. Be sure to check this out and make plans to attend as many meetings as you can. Mark your calendars, make reservations and invite guests! We are sure you will have a great time!

Wishing Everyone the Best!

*Ken Gibbs*
