April 2017

Dear Fellow Nomads:

Even after a fairly mild Texas winter it's always nice when Springtime rolls around, except for those with allergies of course. And this year is no exception with the high pollen counts. We've also made it through the 1st quarter of 2017 and oil prices, though struggling a bit, are still holding close to the \$50 mark, which seems to keep things relatively calm. It will of course be great to see that number climb some throughout the year!

John Bartos with Schlumberger provided us with a very interesting presentation at our March meeting and I'm sure it will be the same at our April meeting when our speaker will be Monica Enfield, Director of Intelligence with Energy Intel.

=====

Please be sure to register for this April 11<sup>th</sup> meeting! We really need to get a good head count so we can guarantee the proper number with HESS, which helps keep our costs down. Go to our new website, [www.Nomads-International.com](http://www.Nomads-International.com) and click on "Events Calendar". Then click on the link to the April meeting to register.

## **Tue, Apr 11 Monica Enfield, Energy Intel—Director of Intel**

Also, be sure to invite business associates to join us and discover what NOMADS is all about.

=====

As mentioned previously in the March Caravan and also at the March meeting, with Wanda's retirement, NOMADS has initiated some new policies that require

events, including regular dues and dinner meetings, etc. to be paid in advance and online only. Many of you have already used the new system and we thank you very much! For those of you who have not done so, please check it out and familiarize yourself with it. A bit later this year, it will be the only method used to register for meetings and make payments. If you have any problems with using the new system and need assistance, please contact Wanda (for now) and she will get someone to help you out.

Also, if you do not already have an active e-mail address registered with NOMADS, please contact Wanda Baker with this information, as it will be our only method of communication quite soon. We will no longer send or receive "snail mail" for NOMADS business.

OTC 2017 is right around the corner and NOMADS will again be staffing the International Visitor's Lounge. We still need volunteers and - **NOMADS is seeking sponsorships for the lounge.** If any companies are interested in this great advertising opportunity, please contact Wanda or a NOMADS officer. I hope to see you all on April 11<sup>th</sup>!
