A word from our president

Dear Fellow Nomads:

We've had two great events this spring. First was our regular dinner meeting in April which featured Wesley Hunt, Candidate for Congressional District 38. Mr. Hunt gave an informative talk centered on energy policy. He is focused not just on his own Congressional race but also supporting other Republican candidates in the Houston area. Second was a well-attended happy hour at Kirby Ice House the Thursday of OTC week. This event was targeted towards recruiting new members and we had two new applicants from the event. We all need to continue to espouse to friends and colleagues the benefits of networking, especially those of us in the business of international oilfield sales.
