The National Oil-equipment Manufacturers and Delegates Society

A word from our president

My Fellow NOMADS:

Thank you to everyone who came to the Rainbow Lodge for the Kickoff Celebration. The place was packed and everyone had a great time.

Looking forward to the next meeting on Tuesday February 7th at Dukessa. Kurt Abraham will be presenting his Annual Forecast. This is a great opportunity to see what we have to potentially look forward to in the Oil & Gas Industry this year.

Tom Williams had to leave the board and step away from NOMADS due to personal reasons. We hope to hear your input for a potential new board member.
