

THE CARAVAN

NOMADS

The National Oil-equipment Manufacturers and Delegates Society

A word from our president

My Fellow NOMADS:

Exciting news! We are moving the meetings to The Ballroom at Tanglewood (former Hess Club).

We decided to make the change because of cost, facility and the familiarity everyone has with the location.

I am really looking forward to our next meeting on Tuesday August 8th at The Ballroom at Tanglewood (Former Hess Club). Uday Turaga , Founder & CEO of ADI Analytics will be discussing supply chain trends in upstream in oil & gas.

We are still looking for nominations to fill the open board position.

NOMADS Scholarship

The NOMADS scholarship application closed June 30, 2023. We are pleased to have received multiple applications that will be blindly reviewed by a team of NOMADS volunteers. The winner(s) of the scholarship will be notified early August and the winner(s) will be announced in our August meeting.

I wanted to share that I received a call from a long time NOMAD (90 years old) praising our scholarship program and saying his daughter was one of the first recipients of the scholarship. He told me how much it helped her at the time and understand she went on to complete her PhD. Our conversation was so heart-warming and really shows the strength and support within our NOMADS community. Thank you to everyone that participated in the 2022 Golf Tournament that raised funds for our 2023 scholarship program. And thank you to all the NOMAD family applicants.

If you have questions or would like to be involved in the scholarship program, please Sang Karle at sang_karle@askaragroup.com. Thank you!
